## Ebook Details:

*Review: Although young adult fiction isn't my favorite genre, I do enjoy it occasionally and "Gateway to Fourline" looked like the most promising pick for Kindle First in November. All things considered, it was probably the right choice even though I didn't love it. As you can tell from the descriptions and the sample, this is a "doorway to another world" fantasy...*

*Description: Years before, a gateway opened between their world and ours. Sending one young woman through may be the key to survival for the kingdom of Fourline. Strapped for cash, college student Natalie Barns agrees to take a job at a costume shop. Sure, Estes—her classmate who works in the shop—is a little odd, but Nat needs the money for her tuition. Then she...*
